

FII Institute hosts the 7th edition of The Future Investment Initiative (FII) in Riyadh, The Kingdom of Saudi Arabia from the 24th to 26th October 2023.

This high-profile conference will attract people from all over the globe, who seek reliable, professional, and knowledgeable support within Riyadh to ensure their visit is seamless and reduces stress.

SABRE Risk are well placed to advise organizations and individuals visiting The Kingdom of Saudi Arabia for this prestigious event, which shall add additional stress on already challenging local road networks, hotels, and resources.

With this experience it gives us a real understanding of the geography of the event site, and the security and logistical challenges that present themselves.

Challenges will include, but are not limited to, significant airport delays, lack of quality hotel rooms in close proximity to the venue, congested roads upon ingress and egress, unreliable public transport options, and lack of competent secure transportation and executive protection provisions.
