SECURITY OPERATIONS CENTRE (SOC)

Constant, concise, and collaborative data sharing, and monitoring 24/7, 365 days per year

Our SOC supports and coordinates our Global Operations footprint, from a centralized location we coordinate and collaborate with our clients, and manage assets on the ground.

This centralized location processes data, and ensures information is appropriately analyzed, communicated and stored.

The SOC is also responsible for monitoring flights, vehicles, agents and drivers, monitoring reliable news sources specific to a region where we have ongoing projects, and using our own intelligence sources to identify threats which may pose a risk to a project.

At SABRE Risk we believe concise, transparent and proactive communication is paramount to the success of an operation, supporting both our clients, and our assets on the ground.

The SOC also limits the use of audio calls to ensure all information is auditable, this also reduces the risk of incorrect information being processed.

- ✓ **MULTIPLE DEVICES PROVIDING THE SOC WITH REAL-TIME INFORMATION**
- ✓ **CONTINGENCY MEASURES IN PLACE IN THE EVENT OF TECHNICAL FAILURES**
- ✓ **INTERNATIONALLY EXPERIENCED OPERATORS WITH FIELD KNOWLEDGE**
- ✓ **NATIVE ENGLISH SPEAKING OPERATORS**
- ✓ **OPERATORS HAVE COACHING LEVEL IT SKILLS AND CERTIFICATION**
- ✓ **24/7, 365 DAYS OF THE YEAR**

Secure Ground Transportation & Security Drivers

The addition of a security driver ensures that clients are safely transported. This can be further enhanced using an escort vehicle and additional operatives should the threat dictate an elevation in security.

Ensuring that you have engaged a reputable company with qualified security drivers is of paramount importance. A security driver is responsible for their vehicle, and the safety of those inside the vehicle, the driver is to ensure their vehicle is ready for deployment. SABRE Risk can support clients globally, all drivers, partners and vehicles have been inspected by members of SABRE Risk, and have passed our internal vetting policy.

Drivers are assessed on competence, professionalism and agility, we also ensure our partners provide evidence of work history, qualifications relevant to security driving, and proof of work rights within the country they operate.

Members of our team possess a number of industry leading qualifications, such as, ***BTEC Level 3 in Close Personal Protection, FPOSi, FREC 3, HEFAT, and Life Support, Surveillance Detection, and Terrorism & Counterterrorism Studies, Advanced Driver Training, Checkpoint and Motorcade Operations, and Field Expedient Repairs.***
